

A gift has been given in your honor to
someone in need.

Beehive

Bees are an important part of God's creation. They pollinate plants and provide honey, which supplies a poor family with valuable nutrition and potential source of marketable income. For a poor family without access to refrigeration, honey is a blessing because of its long shelf life.

Starfish Treasure is a unique way to send and receive gifts: the physical item goes to someone in need, but the honor and good wishes go to you.
