Donkey

Donkeys are an essential mode of transportation in rural Haiti. The dirt roads are extremely rutted, but the donkeys can travel them easily. A donkey can serve a family by carrying water, firewood, and produce to their home. A woman with a donkey is able to engage in commerce, carrying goods to market to sell or trade for other family necessities. It also allows elderly family members to make the long trek to church.

Starfish Treasure is a unique way to send and receive gifts: the physical item goes to someone in need, but the honor and good wishes go to you.
