AFRICA | CLEAN WATER FOR AFRICA

OM is serving underdeveloped communities throughout Zambia. Among the challenges in these villages is the lack of clean water which is vitally important in this time of the COVID-19 crisis. Your gift will help two local communities gain access to clean water through a narrow well called a borehole. A sustainable water source will help provide for their physical need for clean water as well as enable these communities to practice safe hygiene.

Starfish Treasure is a unique way to send and receive gifts: the physical item goes to someone in need, but the honor and good wishes go to you.
